

Homework and Assignments:

Homework assignments are listed on the following page. Students must complete all homework assignments in Excel. Handwritten homework will not be accepted. Some homework problems have Excel templates available at www.mhhe.com/brewer4e. It is okay to use these templates. In fact they are usually helpful. Homework is due on the day it is discussed in class. No homework will be accepted late or via e mail unless the student has an excused absence. **Note: Instructor reserves the right change homework assignments during the semester.**

Undergraduate Learning Assistants:

An undergraduate learning assistant is assigned to this course. This person is available for tutoring and individual help. They will also be very involved in the Friday lab sessions. Students should seek this person and obtain help whenever they need it.

Your ULAs will be introduced at the first class session.

Friday Lab Sessions:

Nine Fridays during the semester are dedicated to lab sessions. The ULAs, Ms. Hurley and myself will be available to help you with the *High Mountain Coffee Company* case study. Lab will be held in Business 309 from 8:30 am to 2:00 pm. Students can come to lab at any time during the Friday session. However, attendance is required. Each lab takes approximately one hour to complete. **Your task MUST be graded before you leave the lab that day! LATE LAB TASKS WILL NOT BE ACCEPTED.** If you absolutely cannot be in the lab on a give Friday, you **MUST** contact your ULA **in advance** and complete the task **in advance**. Otherwise, you will receive a zero grade for that task.

Quizzes:

Eleven quizzes will be given at random during the semester. Each quiz is worth 15 points and the lowest grade will be dropped. The quizzes serve two purposes: 1) They are a way to encourage attendance; and 2) They give you an opportunity to test your knowledge prior to taking the examinations.

Examinations:

There will be three examinations. There will not be a comprehensive final examination. Each student should bring an 8 1/2 by 11 inch blank blue book (the lined variety) to each examination session. These can be purchased at the BSU bookstore at a nominal cost. **No advance or make up examinations will be given.**

Cheating:

Cheating in any form will result in an F for the final grade in this course
