Co-Founder and Partner

Loon Creek Capital Group

denise@looncreekcapital.com

Denise co-founded Loon Creek Capital in 2010 with the goal of keeping the fledgling, volunteer angel investor community in Boise alive. Loon Creek provides professional administrative and consulting services to angel investors and guides them through the process of forming new funds. After 7 years, 5 funds, and over \$13 million invested, the Loon Creek team considers its efforts a success!

Denise has a track record of successfully building and operating companies and business incubators in the Treasure Valley. Her career history includes over 16 years of experience working in, leading, or coaching startups and entrepreneurs, with an emphasis on technology companies. Denise holds a B.B.A. from Boise State's College of Business, and a first-degree black belt in Shaolin Kung Fu.
