Kenneth J. Petersen

Kenneth J. Petersen is the dean of the College of Business and Economics at Boise State University and Visiting Senior Fellow at Manchester Business School in Manchester, England. Prior to joining Boise State, Petersen served on the faculties of the University of Tennessee, Arizona State University, the University of Oregon and Colorado State University.

Petersen received a Ph.D. from Michigan State University where he studied operations, sourcing management and information systems, an MBA from the University of Akron where he studied information systems and a BS from the University of Alabama where he studied finance and economics.

Petersen has professional experience in supply chain management as a supply officer in the United States Navy, and has also consulted with many firms in the area of supply chain management. Some of these firms include Honeywell, IBM, Raytheon, Solectron, Texas Instruments, JP Morgan Chase and Delphi.
